Description

The GG800NXC is the fully loaded version of the GG800N series — heated cabin, movable arm, and expandable tracks in one compact package. At 1000 kg with a Koop 192F engine (7.2 kW), it offers maximum comfort and versatility for operators working in confined spaces across all seasons. Best suited for professional contractors and rental fleets looking for a feature-rich mini excavator that handles diverse job site conditions year-round.
