Description

The GG300S is a nimble three-wheeled mini loader with 350 kg load capacity, powered by a RATO R740D 23 HP gasoline engine. Its unique three-wheel design offers exceptional maneuverability in extremely tight spaces. With attachments including bucket, pallet forks, sweeper, snow plow, mower, and grapple, it's incredibly versatile. Perfect for landscapers, small farms, and property managers who need a compact, agile workhorse for light construction, yard maintenance, and material handling.
